

HOMECOMING

*Coleman Exes RE-member their "Glory Days" from CHS
as new memories are made during
HOMECOMING 2011*

Coleman High School students kicked off homecoming week wearing their smartest attire. The Bluecats meant business when it came to the Colorado City Wolves. The students were busy all week getting ready for the big game on Friday, with dress up days EVERYDAY. Of course there was competition between the Freshmen, Sophomore, Junior and Senior classes decorating golf carts in their best red white and blue items. The Sophomores came out on top with the winning golf cart but the true winner was the Coleman Bluecat football team. They played hard against Colorado City and never did you see defeat on their faces. Students, teachers, fans, and even some kings and queens from past years, came to join our football team in continuing to RESTORE THE ROAR.
